

RETURN WIRES TO PRIVATE CONTROL

BURLESON'S ORDER TAKES EFFECT AT ONCE

P. O. Department Retains Measure of Control

(By The Associated Press.)
WASHINGTON, June 5.—Telegraph and telephone companies whose lines have been controlled and operated by the government since last August 1, were ordered tonight to resume, immediately, operations for their own account by Postmaster General Burleson. The postoffice department, however, under terms of Mr. Burleson's order retains a measure of control of the services, pending final legislative action by congress.

Regulations prohibiting discrimination against wire employees because of union affiliations charges and instructing companies to keep special accounts to facilitate cost settlement between themselves and the government are retained in effect under the order issued by the Postmaster General.

Mr. Burleson accompanied the order with a statement giving the reasons which impelled him to take the action.

"The president having recommended return of the wire systems and the control of the operating companies with certain legislation designed to stabilize their operation," Mr. Burleson said, "and the senate committee having taken action looking to their immediate return, and the house committee in its hearings on the proposed legislation having indicated concurrence in the suggested immediate return with or without legislation, so recommended, I feel it my duty to now return the actual control of operations to the companies."

Order Prepared in Advance.

"Some days ago I directed the necessary orders to be prepared to accomplish this and have today issued same. These orders do not affect questions of rates and finance with which the congress may determine to deal. The rates now in force and the financial relations between the government and the companies, and the order of October 2, 1918, prohibiting discrimination because of union affiliation will continue unless the congress in its wisdom may decide to change them on the 'emergency' is terminated."

"By the action now taken, the wire companies resume actual control of operations of their respective property and are free to formulate and put into effect their own policies unrestricted by government control, which is to continue in any case but a few weeks, and thus will be able to prepare themselves for a complete resumption of the management of their property. It will be necessary for each company to so keep its accounts during the continuance of government control, that its books may be closed on the day government control ends in order that a full and accurate statement may be promptly made when it is called on for same."

Strikes threatened by telephone and telegraph employees unions had no bearing on the department's action, officials said.

WILLARD SETTLES DOWN TO TRAINING

TOLEDO, Ohio, June 5.—Jess Willard today settled down seriously to the task of conditioning himself to face his youthful challenger, Willard boxed two rounds with Walter Monahan, two with Jack Hempel, and one each with Jack Lavin and Joe Sullivan.

"Big Jess" worked nicely except for a display of bad wind, which he is attempting to correct by road work. He boxed under wraps, however, as a result of knocking out of Monahan yesterday and did not let any of his punches fly with full force.

By O. Archer, business representative of the champion, left for New York tonight in an attempt to locate at least two formidable sparring partners. Those in camp at present cannot hit Willard enough to sting him and he cannot cut loose at them without fear of hurting them.

RECEIVE BRITISH GOLD

New York, June 5.—An additional shipment of \$500,000 in gold for the account of the British government arrived here from Canada today consigned to J. P. Morgan & Co. A total of \$12,000,000 in gold has arrived so far and it is understood that the final sum will amount to \$50,000,000.

ORDER OPERATORS IN ELEVEN STATES TO STRIKE

Says Foreign Investments In Mexico Safe

(By The Associated Press.)
WASHINGTON, June 5.—Mexico will protect all foreign investments in that country and if other countries only are patient Mexico will pay all of her debts, Dr. Juan B. Rojo, counselor and charge de affairs ad interim of the Mexican embassy today told the Pan-American commercial congress. His words "I assure you all foreign investments in Mexico are safe and will be protected," brought a storm of applause from the large gatherings of representatives of the Latin-American countries and the United States.

"Mexico is now in the reconstruction period," Dr. Rojo said, "All that she wants is that, rather than handicapping her at every moment, outsiders may be a little patient as Mexico has always paid what she owed, and the longer they have waited for us to pay, the dearer it has cost us."

"If countries as strong as Great Britain and the United States are experiencing a difficult social and economic condition, it is not fair to expect from Mexico the same conditions that prevailed there in 1910. The world shall never go backward and the state of affairs created by the social movements of my country is as impossible to eliminate as the conditions created here and in Europe by the war."

Referring to the statement before congress at its opening session by Speaker Gillett of the house of representatives that the present condition of Mexico was the greatest impediment to trade and fellowship in the western hemisphere, Dr. Rojo said:

"All of you have undoubtedly heard of the explosion of a second bomb—the one thrown Mexico by the speaker of the house."

Frank A. Vanderlip, former president of the National City Bank of New York gave hope to delegates interested in the promotion of trade between the United States and Latin-America by stating that from his investigations of conditions in Europe, nations of that continent would be unable to resume trade relations with Latin-America for several years.

CANADA'S DEBT NEARLY TWO BILLION

OTAWA, June 5.—Canada's debt when expenditures authorized for the current year are made will aggregate \$1,950,000,000 or \$220 per capita. Sir Thomas White, minister of finance, announced in a discussion of the dominion budget in the house of commons today. The interest burden was \$115,000,000 a year, exclusive of pension amounting to \$35,000,000 or \$45,000,000 annually. A large increase in the income tax will be authorized as one of the measures to meet the dominion's obligations, largely the result of war expenditures.

Features of the new tariff proposals include free importations of wheat, wheat flour and potatoes from countries extending a like courtesy to Canada and a substantial reduction on the duties on agricultural.

MARSHALL SIGNS SUFFRAGE AMENDMENT

WASHINGTON, June 5.—Vice President Marshall today signed the woman suffrage constitution amendment resolution in the presence of Chairman Watson of the senate woman suffrage committee and other senators and representatives of women's organizations. The vice-president's signature was the last act upon the resolution at the capitol. Speaker Gillett having attached his signature yesterday.

In recognition of the fifty year campaign of the national American Woman Suffrage association the guests were limited to representatives of that association and members of congress and the gold pen used was presented to the national association.

SET ASIDE MONEY FOR SIBERIAN RELIEF.

Washington, June 5.—The American Red Cross has appropriated \$400,000 for relief work in Siberia, that amount being an addition to the sum already set aside for work in that region. The new fund will be used for the purchase of medicines and surgical instruments to be sent from the Red Cross base at Seattle, Washington.

EIGHTY-THREE DEAD IN COAL MINE BLAST

Fifty Others Burned and Maimed in Disaster

(By The Associated Press.)
WILKES BARRE, Pa., June 5.—Eighty-three men dead and fifty others burned and maimed, many of who will die is the toll of a disaster in the Baltimore tunnel of the Delaware and Hudson Coal company in the east end section of this city early today. Seven kegs of black powder, 300 pounds in all, were detonated and the dead and the maimed were literally roasted by the superheated gas flames following the explosion.

Men on Way to Work.

The tragedy occurred while the men were on their way to work this morning. Owing to their working places being two miles from the mouth of the tunnel the men were making the trip in a train of fourteen mine cars drawn by an electric motor, the power being carried in two cars in the middle of the train.

The train had penetrated the tunnel about 200 feet when August Ruddle, one of the survivors, states the overhead trolley wire sagged and touching a steel powder keg formed a short circuit. In an instant there was a shower of sparks and a terrific blast. A great sheet of flames drawn by the air current enveloped the helpless men who were huddled closely together in the cars with no possible chance to escape.

Owing to the ventilating system the smoke and flames were drawn inward and the first indication of the disaster to those on the surface was the shrieks of anguish of the injured. Rescue corps were at once formed and the dead and injured were rapidly brought to the surface where the living were given first aid treatment by physicians and then rushed to hospitals in ambulances and vehicles of all sorts under the first apparatus being used.

Dead and Dying in Heaps.

When the rescuers first entered the tunnel they found the dead and dying piled in heaps in the cars and along the tunnel. Of the dead, sixty-nine were found dead in the tunnel and fourteen others succumbed to their injuries at the hospitals. Only 49 have been identified.

Among the men killed outright was James J. McCloskey, a former baseball pitcher at one time a member of the Philadelphia National League club.

Assistant General Manager Buchanan of the Delaware and Hudson Coal company after investigation at the scene of the disaster gave it as his opinion a steel bar or drill carried by one of the men came in contact with the overhead wire, forming the short circuit. According to the company's figures, 143 men and boys were being carried by the train.

BELGIUM READY TO FEED OFFICERS

BRUSSELS, June 5.—Belgium is now in a position to feed any number of tourists who may come to visit the country, owing to a great improvement in the situation during the last few months. Prices are far above the pre-war standard but supplies generally are plentiful, with the exception of certain kinds of meat and milk, the food minister told the Associated Press today. He added that Belgium is now well provided as regards breads, potatoes and wheat.

Since March there has been no limit placed on the consumption of bread which is now of an excellent quality, being made with 82 per cent of white flour. Belgium is able to export potatoes to France and has a supply of wheat for the next three months, owing to the activities of the international food commission, under the chairmanship of Herbert Hoover.

More shipments from America are being arranged and other supplies will soon be imported.

PLACED GUARD AROUND PLANT

Paterson, N. J., June 5.—A strong guard was placed about the gas and electric works of the public service corporation here and at Passaic today because of a report received by the Passaic board that attempts would be made to blow up the company's gas tanks in the two cities.

Begin Work To Readjust Tax Rates

(By The Associated Press.)
BULLETIN
SPRINGFIELD, Ill., June 5.—The house this afternoon adopted a resolution introduced by Lee O'Neill Browne directing the attorney general and the state department of trade and commerce to begin prosecution of certain fire insurance companies which are alleged to have made a surcharge of ten per cent on all gross premiums since April, 1918 because of "war conditions."

The resolution charges that the companies collected \$2,225,000 illegally. Later, on motion of Representative Bancroft, the house reconsidered the action by which it passed the Browne resolution for an investigation of fire insurance companies and sent the resolution to the insurance committee.

Advance Forty Bills

While the bonding bill does not increase the tax burden it throws out of kilter the present rates, and makes a readjustment necessary. Forty bills of Senator Glavin, changing the Chicago and Cook county tax rates, were advanced to third reading in the senate this afternoon.

Members of the commission which attacked its big task tonight are Leon Horststein, assistant corporation counsel of Chicago, and Henry F. Chantler of the Chicago plan commission. Services of these men were offered in order to insure speedy revamping of downstate rates and thus encourage the support of downstate members.

After advancing the Glavin bills, the senate adjourned until tomorrow with the understanding that no business would be tied until next Tuesday.

Forefall Ratification.

Ratification of the federal amendment in the upper branch was forestalled earlier in the day when members objected on the ground official confirmation of the action of congress had not yet been received. The ratifying amendment offered by Senator Cornwell of Chicago went over until the next legislative day which will be Tuesday.

The house late today passed 121 to 9, the Nurses Bill decreasing the training for registered nurses from twenty seven to twenty four months. It now goes to the governor.

By a vote of 69 to 28, the Roos bill to permit the sanitary district of Chicago to add more territory was lost. It was attacked by Representative Lee O'Neill Browne, who declared the effect of the measure would be to dump more sewage into the Illinois river.

Endorse American Legion.

Official approval of the American legion being formed of soldiers and sailors of the great war was given when the house on motion of Representative Tice passed a resolution endorsing the league.

A commission to sit out of session for the purpose of continuing the investigation of Zion city and real estate operations of Wilbur Glenn Voliva, its overseer is proposed in a bill introduced late today by Representative Shurtliff of Marengo and advanced to second reading without reference.

The commission to be composed of five senators and a similar number of representatives would serve without compensation.

Introduction of the bill followed the adoption by the house without a record vote of a report of the special legislative committee to inquire into Zion city affairs. Among the changes made against Voliva were that "the said Wilbur Glenn Voliva is illegally making use of the United States mails;" that "he is conducting a banking business and soliciting deposits at a time when he is financially insolvent;" that "he is obtaining money and property by practicing a coffee game."

Welcome Last Contingent of 33rd Division

(By The Associated Press.)
CHICAGO, June 5.—June sunshine vied with the people of Chicago and Illinois today in a demonstration of greeting to the last of the 6,000 of the 33rd Division which many declared outside the reception to the two previous contingents of the division. Grant Park was jammed with relatives and Michigan avenue and other streets were thronged with Illinoisans to watch the parade. Tonight the men were at Camp Grant for demobilization.

The welcome carried all manner of noise making devices, banners and pennants and signs inscribed "Hello Sam" or similar words were borne aloft. Flowers and confetti were showered upon the returned fighters and Governor Lowden, Major Leonard Wood, members of the legislature and other officials review the march. Major General George Bell, Jr., commander of the division led the parade as far as the reviewing stand where he joined the governor. There followed dinners at the great hotels bringing the total of Prairie Division men banqueting at Chicago's loop hotels to 23,000—with entertainment the whole program followed in those given for the men who returned in the two earlier contingents.

The Chicago Woman's Club entertained Governor and Mrs. Lowden, General Bell and staff, Brig. Gen. Henry D. Todd and staff, and General Wood and staff and Adjutant General Frank S. Dickson. The governor made an address and referred to the passage of the woman suffrage amendment in the United States senate.

DECLARE TERMS DEATH SENTENCE

BASEL, Wednesday, June 4.—The grand council of German Austria which met on Tuesday under the chairmanship of President Seitz, adopted the report of Dr. Otto Bauer, the gist of which was that the peace terms presented to German-Austria by the allies meant "the death sentence of the Austrian republic, according to Vienna advice received here."

Newspapers of Vienna including the Arbeiter Zeitung, the Socialist organ, echo this sentiment with various degrees of that "the last word has not been spoken."

President Seitz, foreign Minister Bauer and Vice President Fink have left Vienna for Feldkirch to confer with Karl Renner, the Austrian chancellor and head of the Austrian peace mission at St. Germain.

THOUSANDS OF CHECKS RETURNED

WASHINGTON, June 5.—Dependent of men in the military service who have moved without notifying the war risk bureau of their new address have caused the return of 125,000 insurance certificates. A total of 337,742 checks have been returned including 15,000 drawn to dependents in other countries which are unclaimed. As fast as possible the bureau is locating the persons to whom they belong being assisted by the Red Cross and local agencies thruout the country.

A noticeable trend from the country to the cities has been noticed in the change of addresses sent to the bureau. New York leads the country for centralization, but all cities, especially those near cantonments have received a large number of soldiers who formerly lived in the country.

AMERICAN LEGION RECOGNIZES WOMEN

WASHINGTON, June 5.—The American Legion recently organized by men of all branches of the war service, has officially recognized the Yeomen, (F) as part of the nation's combatant forces, by granting a charter for the organization in this city of Betsy Ross Post No. 1, the first feminine unit to be included in the legion. The post will be entirely composed of feminine naval reservists in the District of Columbia.

by usig assumed religious convictions to play upon the frailties of certain persons as a means of securing money;

that "he employs methods of intimidation and is operating the public schools in a way detrimental to the pupils."

The committee report asked that a standing commission be named by statute to continue the investigation.

ALLIES MAY REPLY TO HUNS MONDAY

Refuse to Indicate Fixed Sum for Reparations

PARIS, June 5.—(By The Associated Press.)—Such progress has been made by the council of four today, that by working thru Sunday, it is hoped the reply to the German counter-proposals may be ready for delivery Monday.

The council has decided to refuse Germany's request that a fixed sum for reparations be indicated in the treaty.

Outlook Encouraging.

It was said in authoritative circles tonight that the outlook for an agreement on the reply was more encouraging as a result of today's meeting of the big four. It was considered certain that comparatively few changes would be made in the text of the treaty. The reply will consist first of a short letter answering count von Brockdorff-Rantzau's introduction and the long memorandum taking up all the counter-proposals.

Considerable difference of opinion prevails as to the prospect of presenting the reply at an early date. In American circles the hope is entertained that the work will be finished so that the reply may be finally acted upon by the big four not later than Monday. French peace conference circles are less optimistic, the belief prevailing that the reply will not be ready for presentation before Thursday.

Small Power with Victory.

The small powers have won a victory in their opposition to the limitation of armaments of the new states created from the former Austro-Hungarian empire, as incorporated in the Austrian peace treaty. The council of four has decided to eliminate such limitation.

The council today gave further consideration to the German counter proposals, these occupying the time during the forenoon session of the body. The afternoon was devoted for the most part to the question of the rights of minorities in the small nations.

Behind the successful protest against the limitation of armaments lies the story of Jugo-Slav jealousy of Italy and apprehensions on the part of all the small entente powers in eastern Europe that the large nations may not, after all, prevent future wars.

Also a general principle incorporated in the covenant of the league of nations, provided that the limitation of the armaments of the allied and associated powers should be a matter for subsequent examination by the league, the council of four fixed in the Austrian treaty the various strengths of the armies which all the states inheriting parts of the Hapsburg monarchy should maintain. This evoked one of the principal portents at last week's plenary sessions of the peace conference.

The Jugo-Slavs in particular declared that it was unfair to limit their armaments and leave their great rival, Italy, with complete freedom in this respect.

The Poles who are firmly convinced that they may be compelled at no distant date to wage war for the purpose of defending their independence and no not wish to see themselves and their natural allies restricted in the means of defense, also demanded elimination of this provision.

Paderewski Protests.

(By The Associated Press.)
Premier Paderewski of Poland has entered a protest to the peace conference against any change being made in the peace terms regarding Silesia. It has been reported that the council of four was considering an alteration of the original demands.

The Austrian cabinet it is asserted is undecided whether to accept the peace terms. The newspapers continue to declare that the terms are unacceptable and a report coming by way of Copenhagen says black flags are to be flown thruout Austria Friday as an expression of the feeling of the population against the terms.

A delegation of South Africans has called on Premier Floyd-George in Paris and requested that independence be given to the Union of South Africa.

Bolshevik advisers reaching Copenhagen say that the Bolsheviks have indicated a severe defeat on the troops of Admiral Kolchak of the Omsk government.

Senate Runs Scale of Issues In Treaty Fight

(By The Associated Press.)
WASHINGTON, June 5.—In more than five hours of heated debate today, the senate ran the whole scale of issues involved in the peace treaty fight. Starting with the controversy over publication of the treaty, the discussion drifted to principles of the treaty itself and of the league of nations, and before it was finished involved sharp charges of partisanship and politics from both sides of the chamber.

Demands Searching Probe.

Senator Hitchcock of Nebraska, senior Democrat of the foreign relations committee, charged that Chairman Lodge and Senator Borah of Idaho, had made an attack "of a most scandalous nature on the president" in their statements telling of copies of the unpublished treaty in New York. A searching investigation was demanded by the Nebraska senator.

Senator Lodge replied that there was nothing to conceal, and that he would welcome investigation which should include all the Democratic state department.

Senator Borah made a similar statement and then charged there was a "conduit" between those backing the league to enforce peace, headed by former President Taft and those who possess information as to what is in the treaty.

Tonight acting Secretary Polk of the state department took a hand in the controversy thru issuance of a statement denying a declaration of Senator Lodge during the debate that the state department had told newspaper men financial sections of the treaty were in the hands of financial interests in New York.

"As far as I know," said Mr. Polk, in the first formal expression on the subject that has come from the department, "the copies of the financial and reparations sections are not in the hands of unauthorized persons."

White House Backs Action.

Meantime it became known that Senator Hitchcock, in asking for an investigation of the channels thru which copies of the treaty reached New York was acting with the backing of the white house. His resolution directing the foreign relations committee to investigate was introduced yesterday, it was authoritatively stated, after he had been requested to do so at a white house conference.

No vote was reached during the day on either the Hitchcock resolution or the one introduced by Senator Johnson, Republican, of California, asking the state department for the treaty text. The latter, leaders hope, may be brought to a vote tomorrow, but the Hitchcock measure probably will not come up again until Monday.

TO INTERCHANGE POLICE OFFICERS

NEW YORK, June 5.—The eight cities in which bomb outrages were perpetrated Monday night have arranged for an interchange of police officers to facilitate cooperation of all agencies at work running down the radicals responsible for the explosions, it was announced at police headquarters here tonight. The statement came at the close of a conference between federal agents and representatives of the municipal police departments of various cities. It was stated that detachments of the New York bomb squad have been sent to Pittsburgh, Washington, Philadelphia, Boston and other cities in the hope that they can be of assistance in rounding up anarchists and other radicals.

Officers connected with the police departments of several of the cities in which there were bomb outrages Monday night will come to New York to give the police here whatever help they can.

LEVIATHAN SAILS.

Brest, June 5.—The American transport Leviathan sailed from Brest at 4 o'clock today with 12,000 troops on board. The troops included officers and men of the Sixth division, Brig. Gen. James W. McAndrew and Brig. Gen. Dashiell.

ACKNOWLEDGE DEFEAT.

Stockholm, June 5.—The Bolsheviks acknowledge defeat by the Siberians and Cossacks on the Ural river, according to a Helmsing's dispatch. The Bolsheviks have been forced to evacuate the town of Uralsk.

Prisoners to the number of 40,000 and 100 guns and much war material are declared to have been taken by the Bolsheviks, reports from Estonian sources, declares that the dispatches announcing the capture of Petrograd by the Estonians are premature.

MOVE PROMISES TO BECOME NATION-WIDE

Walkout is Ordered to Support Atlanta Strikers

[By The Associated Press.]

WASHINGTON, June 5.—Employees of the Western Union Telegraph company in Florida, Alabama, Georgia, South and North Carolina, West Virginia, Virginia, Kentucky, Tennessee, Mississippi and New Orleans, La., who are members of the Commercial Telegraphers Union were ordered to go on strike immediately tonight by S. J. Koenekamp, president of that organization.

President Koenekamp said the strike order was issued in support of Atlanta telegraph and telephone operators who went out several days ago and asserted that it would unquestionably be followed by a nationwide strike within a few days.

"I took the step immediately on learning that Postmaster General Burleson had ordered wires returned to the companies," Mr. Koenekamp said. "Authority for it was extended by a strike vote taken some time ago which has been held up to see if we could not negotiate a peaceable settlement. It is very likely that the strike will also involve the Postal company, but that cannot be determined yet."

President Koenekamp refused to estimate the number of operators whom he expected to respond to the strike order.

"The action of the Mr. Burleson in restoring operating control to the executives of the telephone and telegraph companies in the face of a threatened nationwide strike because of his policies will indicate that he is a quitter," President Koenekamp said in a prepared statement issued tonight.

"Mr. Burleson getting out from under doesn't change our situation."

"We feel that it places Newcomb airtight back in charge of the Western Union without first establishing a labor policy to protect the worker and emphasizes the necessity for a strike against that company."

"Will Have Little Effect"

New York, June 5.—Newcomb Carlton, president of the Western Union Telegraph Company declared tonight that the strike of Western Union employees in ten states, ordered tonight by S. J. Koenekamp, president of the Commercial Telegraphers Union of America would have virtually no effect on the Western Union.

CALLS MEETING OF CATHOLIC HIERARCHY

WASHINGTON, June 5.—Cardinal Gibbons, chairman of the general committee on Catholic affairs and interests today announced that he had issued a call for the meeting of the entire Catholic Hierarchy of the United States, at the Catholic University here September 24. The meeting will be the first of its kind to be held since the third extraordinary council of Baltimore in 1884.

REQUEST PLANT BE RE-OPENED

Toledo, O., June 5.—A petition was filed in the United States district court here today requesting the court to order the re-opening of the Willys-Overland company plant, which has been closed since the rioting in which two persons were killed last Tuesday. The petition asks a restraining order to prevent the idle workers from interfering with the operation of the plant. Federal Judge John M. Kilharts set Saturday as the day for hearing on the application.

BACK TO THE OWNER.

Whether Mr. Burleson is turning over the telephone and telegraph interests to the owners because of the difficult strike situation or because of the insistent demand makes little difference. The big fact is that the properties once more are to be in the hands of the owners and service seemingly not possible under Mr. Burleson's management can be given.

It has been said a number of times that a postmaster general may be made a scapegoat for administration criticism and be asked to retire. Whether or not that happens, Mr. Burleson has certainly made enough mistakes to feel secure in the thought that there will be no protests if his retirement does come.

THE BANKER AND HIS CUSTOMER.

The visit of bankers to Jacksonville yesterday brought into new prominence the more intimate relationships that now exist between the public and the bankers than was true a few years ago. One of the Chicago visitors in talking about this matter said "The banker was largely to blame himself for this relationship. He was inclined to hold himself aloof—to rather shroud his business in mystery." That sort of relationship has ended and today the bankers of Chicago and the down state cities have closer relationships with their customers.

The banker is now known to be the friend and supporter of all good public enterprises. He wants to get the viewpoint of his customer and as he gains that viewpoint he is of more advantage to the customer than ever before. As some of the financiers themselves look upon the matter, the intimacies between banks and their clients are to continue to grow closer, largely as the result of the war.

During the war period the bank customers had occasion more than ever before to consult their bankers. Now they look to the banker for financial and business advice in a way that they did not do before the war. The result is naturally a greater community of interest—a better understanding—to the profit of all parties concerned.

LAND PRICES STILL GOING UPWARD.

Two more farm sales have been reported this week at \$300 an acre. There is the growing belief that the top has not been reached in farm lands and that as high prices are to continue for farm products that the realty market will continue to show advances. As has so often been stated, there is a chance in Morgan county for a considerable advance before lands reach the level of prices obtaining in other corn belt counties.

BOY SCOUT WEEK

June 8 to 14

A nationwide campaign for associate members of the Boy Scouts of America will be promoted the week beginning June 8. The purpose of this campaign is to enlarge and strengthen the Boy Scout movement. Associate membership will be offered to the mothers and fathers of American boys, and to other adults. This, if successful, will provide a supporting adult organization to the Boy Scouts and funds to promote Scouting.

The membership fee is one dollar, but by paying \$2.50 one may receive the Scout's magazine, "Boys' Life," monthly for one year or may have the magazine sent to any boy designated.

The funds secured will be remitted to the National organization, but it is understood that part of all of these funds will be returned for promoting Scouting locally.

One of Jacksonville's strong organizations recently undertook the matter of promoting Scouting in this county and this work will be prosecuted vigorously so that in the near future this community should have many Scout troops supported by local citizens who are deeply interested in the boys of Morgan county. There are about 375,000 Boy Scouts in America, directed by 13,796 Scout Masters and organized in 15,137 Scout troops. There are ten million boys in our country who need the benefits of Scouting.

The Boy Scouts movement is world-wide in organization and embraces its membership boys of all creeds and nations. It is non-sectarian, non-political and neither military nor non-military. In America the meeting places of the 15,137 troops include churches, schools, the Y. M. C. A., community houses, armories, offices, parks, playgrounds, hospitals, libraries and public and private buildings. 2780 troops meet in public schools, 495 meet in Y. M. C. A. buildings, and 6609 meet in churches. Church headquarters include Baptist 759, Congregational 775, Episcopal 601, Methodist 2182, Presbyterian 1146, Christian 289, Mormon 170, Lutheran 193, Roman Catholic 292, Hebrew synagogues 95.

The future of the nation depends upon its youth. America will be gravely derelict in its duty if it fails to give its hearty support, moral and financial, to the Boy Scout movement. Every Boy Scout is given useful knowledge and training which equips him better for the battle of life itself and is taught the duties, obligations, ideals and higher conceptions of American citizenship.

This cause stands alongside the Red Cross and other humanitarian organizations which have had the generous support of the American people. While Morgan county has several well organized troops of splendid Scouts, there are large numbers of boys in the county who should have benefit of Scouting. The extension of the Boy Scouts will require funds and leadership. Morgan county has gone "Over the Top" in all the war campaigns. It must not fall down on this.

Social Events

Gave Reception at Colonial Inn.

Mrs. Joel W. Hubble and Mrs. Francis Rantz were hostesses at a very pleasant reception at Colonial Inn Thursday afternoon. Receiving with Mrs. Hubble and Mrs. Rantz were Mrs. Jennie Dawes of Pittsburg and Mrs. Owen Bradford of Rockford.

The various rooms at the disposal of the guests were most handsomely decorated with an abundance of spring flowers. Red peonies were used in the hall and yellow roses in the reception room, while in the dining room pink roses gave a charming effect.

All the arrangements were of a kind quite in accord with the generous hospitality of the hostesses.

Wedding Anniversary Observed.

Yesterday was the twenty fifth wedding anniversary of Rev. and Mrs. G. W. Randle and a number of their friends of Asbury and Brooklyn churches planned a surprise in their honor. Fully 100 of these good people assembled at the Brooklyn church last night, bringing generous baskets of refreshments with them. Mr. and Mrs. Randle were genuinely surprised but entered most heartily into the enjoyment of the occasion. An informal musical program was carried out, including instrumental solos by Mrs. Elizabeth Hembrough and Miss Gladys Howard. H. A. Litter sang "I Love You Truly" and Mrs. J. Bart Johnson, "Because."

A trio number was also given and a sthis music was heard the bride and groom of twenty five years again appeared and Rev. E. L. Pletcher performed the marriage ceremony. The church had been prettily decorated with flowers by Mr. and Mrs. J. H. Reid and others, and in every way the occasion was a delightful one. Mr. Randle is doing excellent work as the pastor of Brooklyn and Asbury churches and the people evidently appreciate his worth.

Missionary Meeting of Union Baptist Church.

GROUP EIGHT BANKERS IN CONFERENCE HERE

Themes of Business Interest Discussed at Two Sessions—Party of Chicago Financial Men Present.

One of the most successful meetings of bankers of group eight came to a close yesterday afternoon after officers had been elected for the coming year. They are:

Chairman—F. M. Condit, Beardstown.

Secretary-Treasurer—E. F. Crane, Mt. Sterling.

Members state executive council—F. M. Condit, Beardstown; H. T. Hicks, Pittsfield.

The banks in the district were well represented and these men, together with thirty five Chicago bankers, made up a notable gathering. There were two sessions, one in the morning and another in the afternoon. R. T. Hicks of Pittsfield presided. An excellent luncheon was served at the Odd Fellows temple on East State street, where business sessions were held. The service was by Past Noble Grand club No. 1 and the menu was in every way excellent.

Entertainment at Blind.

Before the afternoon session began the visiting bankers attended an entertainment given in their honor at the State School for the Deaf thru the courtesy of Managing Officer H. T. White. There "Whispering Hope," a selection given on the commencement day program, was repeated and several selections from the meritorious Mother Goose entertainment were again given. It was a program which the visitors greatly enjoyed.

A number of the visitors were also entertained at Illinois Woman's college where the swimming pool and other features of the gymnasium were at their disposal.

The Chicago bankers arrived in their special car at 7 o'clock over the Burlington and were entertained at breakfast at the home of Mr. and Mrs. E. E. Crabtree. They were a part of the company at the Odd Fellows temple at the noonday luncheon and had 6 o'clock dinner in the blue room at the Peacock Inn. Their special car was attached to the Hummer and they will be visitors in Pontiac today.

The morning session began with the singing of the national anthem, led by the Canteen Girls, and such enthusiasm was created that several patriotic songs were sung. The invocation was by Rev. W. H. Marbach and then came some reports from standing committees.

A violin solo was given by Miss Audrey Hall with Prof. Kritek as accompanist and was enthusiastically received.

Sergt. Weber Spoke. Ordnance Sergt. Carl H. Weber was introduced and spoke briefly, laying special emphasis upon the manner in which the banking interests of the country backed up the soldiers overseas. He said that when news of the completion of any successful Liberty loan drive was received that enthusiasm was great and the men entered upon their work with zeal and enthusiasm.

At the afternoon session which followed the entertainment at the School for the Deaf, questions directly relating to banking were discussed. "The Importance of Closer Co-operation of County Organizations as Demonstrated by War Financing" was one of the themes considered. Then a representative of the American Institute of Banking outlined the purpose and work of the institute and dwelt upon the advisability of organizing a state chapter. The question as to whether Liberty bonds owned by a bank can be deducted from the capital stock for local taxing purposes was answered in the negative thru a written opinion by the association's attorney.

Address by Lieut. Ewert.

The chairman declared that he found great pleasure in introducing Lieut. Arthur F. Ewert, who for a number of weeks has been attending conventions of bankers in eight or ten different states. In each instance Lieut. Ewert's war address has been received with the greatest enthusiasm and such was the occasion yesterday. In the beginning he said that as a chaplain his statements would not concern himself—that his narrative would be of what American soldiers had done and won by their wonderful war record. He declared that it had been said that war was won on the tanks, banks and Yanks, and suggested that

WOMAN THINKS SHE CAN'T TALK ENOUGH

"I had gall stones for 14 years and suffered severely from gas, colic and indigestion. Doctors wanted me to go to the hospital, but I took May's Wonderful Remedy instead, and am now feeling fine and better than I ever did. I can't talk enough about this remedy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by all druggists.—dv.

He declared that it had been said that war was won on the tanks, banks and Yanks, and suggested that

this pretty well summed up the forces of the conflict, and that there had been no small contribution by the banking interests of the country. Altogether it was a strong patriotic address.

The association then took up some matters of business and following the election of officers adjournment was the order.

Many were the compliments received by the members of the Past Noble Grand club for the menu served at the noon hour. Mrs. T. S. Martin was chairman of the large and active committee responsible. The menu included fruit cocktail, roast beef with brown gravy, new potatoes, green peas, radishes, hot rolls, jelly, tomato salad with mayonnaise dressing, wafers, olives, ice cream, cake, nuts, coffee, cigars.

Homer H. Potter was chairman of the detail committee and was one of the local bankers who spent a very busy day. The committee is especially obligated to citizens who furnished cars for the transportation of visitors to and from the State School for the Deaf.

WINCHESTER

Winchester, June 5.—Miss Mildred Carter left Thursday for Beardstown to attend the commencement exercises.

Mr. and Mrs. Joseph Patrick, Mr. and Mrs. William McLaughlin and Mrs. Anna McLaughlin motored to Jacksonville Thursday in Mr. Patrick's new Buick car.

Mrs. George Mure returned Thursday from a visit with relatives in Taylorville.

Jesse Evans left Thursday for Beardstown.

Mr. and Mrs. Fred Fisher of Chicago arrived Thursday to visit at the home of Hart Cohagan and family.

Ralph Parker entertained quite a number of friends at the home of Mr. and Mrs. Lou Bailey Thursday evening in honor of his birthday. The occasion was a very pleasant one for all present.

Mrs. Grant Coultas and daughter, Miss Frances, were Jacksonville visitors Thursday.

PRINCIPAL OF FRANKLIN SCHOOLS NAMED

B. E. Asplund has been named principal of the Franklin schools to fill the vacancy caused by the resignation of O. B. Mounce. Mr. Asplund will continue to reside on his farm not far from Franklin and to supervise his farm work. He is a graduate of Illinois college and has served as principal of several Illinois schools, receiving a much larger salary than in his present position. However, because of the fact that he can continue to operate his farm, Mr. Asplund is willing to take the Franklin position.

A VISITOR FROM GREENE COUNTY

James McNabb, master in chancery of Greene county and editor of the Carrollton Gazette, was in Jacksonville yesterday to attend the bankers' convention. Mr. McNabb is a director of one of the Carrollton banks, and is by the way one of the most influential citizens of Greene county.

SOLDIERS WILL RIVIVE THIS MORNING

Mayor E. E. Crabtree received a message Thursday afternoon from Jay Rodgers stating that twelve men would leave Chicago Friday morning at 1 o'clock over the Chicago & Alton. The men will arrive here this morning at 10:15 o'clock. It is desired that the Canteen girls, drum corps, boy scouts and all citizens where possible be at the train to meet these men and give them a fitting welcome. H. H. Bancroft is chairman of the reception committee.

WOMAN THINKS SHE CAN'T TALK ENOUGH

IF its Air Washer or Humidity Pans will cleanse the air of its dust, dirt, fibres, odors and gases and revitalize it with wholesome humidity, benefiting every member of the family and making the housewife happy?

IF it can be installed in one day and is built to last a lifetime?

IF it saves fuel, is absolutely fireproof and if the house is worth far more after being efficiently heated?

IF it takes but little space in the basement and vegetables and fruits will not become overheated or spoiled?

IF its cost is nominal and it's absolutely guaranteed to do all of the above?

Then What Reason Have You For Not Investigating?

The Master Man

The most desirable trait in man is mastery. And the most essential mastery is mastery over ones self. If you compel yourself to save a little something out of every bit of money you get, you are developing character in one of the best ways. Don't let yourself go at loose ends. HAVE A SAVINGS ACCOUNT AND STICK TO IT FAITHFULLY. Happiness and contentment are its fruits.

NAMES COMMISSION TO STUDY PROBLEM
WASHINGTON, June 5.—Appointment by President Wilson of the federal electrical railways commission to investigate and find a solution of the street railway problem over the country was announced today by Secretary Redfield.
Comprising the commission are Royal Meeker, commissioner of labor statistics, department of labor; Louis B. Wehle, general counsel finance corporation; Charles E. Elmquist, president national association of street railway and utilities commissioners; Charles W. Beall of the Investment Bankers' association; Philipp H. Gadliden, American Electric Railway association; and William D. Mahon, Amalgamated Association of Street and Electric Railway employees.
The president designated a representative of the American Cities' League of Mayors but his acceptance has not yet been formally received.
Mr. Elmquist has been elected chairman of the commission and Mr. Smeeth vice chairman. No plan of procedure was announced.

PROTESTS AGAINST CHANGE IN TERMS
PARIS, June 5.—Ignace Jan Paderewski, the Polish premier has protested to the peace conference leaders against any change in the terms of the settlement of the Silesian question.

Reports from Paris have been that the peace conference heads were considering alterations in the peace terms presented Germany, so as to provide for a plebiscite in Silesia over the question of uniting with Poland, and likewise for the guarantee to Germany of coal supplies from the Silesian mines.

SOUNDS WARNING TO "BUY COAL NOW"
CHICAGO, June 5.—Armed with the latest figures supplied him by the statistical expert, Dr. Harry A. Garfield, federal administrator today sounded another warning to "buy coal now." The figures supplied by C. E. Ilesher, chief of the government's geological survey, who is working with the fuel administration showed that for the first five months of 1919 bituminous production amounted to only a trifle over 178,000,000 tons. This compared with 222,000,000 in 1918, 226,000,000 in 1917, 208,000,000 in 1916, 159,000,000 in 1915, and 173,000,000 in 1914. The statistician estimated that 73,000,000 tons will be needed for the year of which 30,000,000 is of accumulated stocks from 1918. The five months' production figure was estimated to be 40 per cent of the amount needed.

GRANT RATE INCREASE
Springfield, Ill., June 5.—The request for an increase in street car fare from five to six cents in Peoria was granted today to the Peoria Railway Company by the Public Utilities Commission. The request was presented yesterday by a delegation from Peoria, and the greater part of the day today was spent in presenting arguments.

BIG CONVENTION COMING HERE
Jacksonville is to have next year's state Sunday school convention according to a telegram received by the Journal from C. O. Bayha who is a delegate to the state meeting at Rock Island. This will mean the city will entertain 3,000 delegates. Some preparations must be made, but Jacksonville can do it.

AUTOMOBILE DRIVER KILLS DEPUTY CLERK
CHICAGO, June 5.—Henry Baum, a deputy clerk of the municipal court, was shot and killed early today, apparently without provocation by the driver of an automobile containing five men. Baum and a circle of friends had spent most of the night entertaining returned soldiers at a South Side Athletic club, and they were shouting good-byes to each other when the automobile sped toward them. One of the party shouted a warning and the machine was stopped, the driver leaning out and saying in broken English:
"What's the matter. Somebody looking for trouble?"
Baum stepped toward the disputants and the man at the wheel shot him through the heart. The machine sped away, a passing policeman emptying his revolver at it. Less than a hour later detectives captured an automobile on the North Side containing five Italians. There was a bullet hole in the machine and Baum's companions identified its owner, Ralph Lauriola, as the man who killed the court clerk. Lauriola denied the crime.

NAME COMMITTEE FOR WAR PROBES
WASHINGTON, June 5.—Fifteen members of the house, ten Republicans and five Democrats, were appointed today by Speaker Gillett to conduct five investigations of war time expenditures of the war department. Representative Graham Republican was selected as chairman of the general committee and the division of sub-committees one for each investigation will give the Republicans two members to one for the Democrats.
The investigations will cover expenditures for aircraft, ordnance, camps and cantonments, quartermaster supplies and purchases abroad.
The committee personnel announced by the speaker follows:
Representatives Graham, Illinois; Hamilton, Michigan; McKenzie, Illinois; Johnson, South Dakota; Reavis, Nebraska; Magee, New York; McCulloch, Ohio; Bland, Indiana; Jeffries, Nebraska and MacGregor, New York, Republicans, and Representatives Flood, Virginia; Garrett, Tennessee; Doremus, Michigan; Donovan, New York and Lea, California, Democrats.

TREATY SATISFIES CZEKO-SLOVAKIAS
PARIS, June 5.—(French Wireless Service.)—The Czechoslovakias are satisfied with the principal territorial points of the Austrian peace treaty. M. Benes, the Czechoslovakia foreign minister has informed the Temps. The territorial clauses, he said, showed that the council of four had decided in favor of the Czech-Slovak claims to the historic frontiers of Bohemia and Moravia. He said he hoped that the Jugo-Slavs, Rumanians and Poles would be equally satisfied with their frontiers, adding:
"We are particularly pleased with the clauses by which national life is secured for the Czech-Slovak minorities especially in Vienna. Let us hope that Vienna will know for the first time what national toleration is."

PLAN FOR SPECIAL SUMMER SERVICES
Evangelistic Drive to Begin June 15th — Organization Completed.
The organization for the evangelistic drive to be held in South Jacksonville has been perfected. It will be remembered that this special evangelistic meeting has been arranged by the people of Brooklyn church to begin Sunday June 15. It will be held under the big tent at the corner of Pennsylvania avenue and South Main street, on the site of the church to be built next year. The Brooklyn people sometime since decided to dispose of their property and to build a church in South Jacksonville, a community church. G. W. Randle, pastor of Brooklyn church, has of course taken the leadership in this special church effort and the organization for making the meetings a success has been formed with T. B. Reeve as president, Frank Bourn, secretary and Judge William E. Thomson treasurer.
While the meetings will be under the auspices of Brooklyn M. E. church, all denominations are invited to take part and some officers of the organization have been chosen from both Grace and Centenary church. LeRoy J. Mitchell will be the evangelist and he will be assisted by Prof. and Mrs. Edward Laubersheimer, who have for some time been prominent in musical work.
The officers of the organization have been mentioned above and the others actively associated with the work are named below:
District Captains — Grace Church, T. V. Hopper; Centenary church, E. G. Saye; Third Ward, Frank Bourn; Fourth Ward, Mrs. John Kastrup; South Jacksonville, West Side, J. H. Reid, South Jacksonville, East Side, William E. Thomson.
Ushers—J. H. Reid, Victor Sheppard, J. A. Walters, Martin H. Gehring, Donald Williamson and C. A. Boruff.
Committees, (Personal Work) — Miss Janet Reid, Mrs. Randle, Frank Bourn, J. A. Walters, Mrs. Mary Dickens, Mrs. Polly Angelo.
Prayer Meetings—Mrs. J. A. Walters, Mrs. Grace Fleming, Mrs. Eva S. Potter, Mrs. Sidney Jones, Mrs. Ben Lorton, Mrs. Charles E. Fletcher, Mrs. Edgar Brewer, Mrs. James W. Pollanslee.
Music — Hubert A. Littler, Charles Sheppard, Mrs. Bart Johnson, Gladys Howard Estelle Schofield.
Publicity—Frank Bourn, J. A. Walters, W. J. Bown, J. W. Wright, Martin H. Gehring, C. A. Boruff, D. J. Staley, L. O. Berryman, J. H. Benson.
Entertainment — Mrs. J. H. Clements, Mrs. Mary Dickens, Mrs. J. H. Reid, Mrs. William Thompson, Mrs. James Leith.
Special Meetings—T. B. Reeve, William E. Thomson.
Visitors—Mrs. Charles Sheppard, Mrs. T. B. Reeve, Mrs. John Kastrup, Mrs. M. S. Cordes, Miss Marie Goheen, Mrs. L. D. Melton, Mrs. C. O. Redding.
Grounds, Tent, Lumber and Lights—J. H. Clements, E. E. Beasall, George Belzer, Lloyd Magill, W. J. Bown, C. A. Sandberg, Daniel Barton, Hugh DeVore, Earl Goheen, Charles Johnson, E. L. Whitlock, John Godfrey, George Stansfield, J. C. Fair, J. A. Walters, Don Williamson, Rex Brittenham, Edward Elmore, Victor Kruse, E. E. Mitchell, Edgar Brewer.
Members of this last named committee are requested to meet at the new church site Monday evening, June 9, to pitch the tent.

TO NEW YORK AND THEN CALIFORNIA
Dr. J. R. Harker will leave tonight for New York to attend a meeting of the board of education of the Methodist church. This meeting has been called to consider various matters relative to the inter-church movement. Because of the pressure of other duties Dr. Harker was reluctant to make the trip east at this time but has found it necessary to do so. Almost immediately after his return from the east Dr. Harker, accompanied by Mrs. Harker will leave for California to spend the summer months.
Dr. and Mrs. Harker greatly need the rest which the stay in California is expected to give them. They have a daughter and a son living in Berkeley, so members of the family will be with them thru the summer.

FARM BRINGS \$300 AN ACRE
The sale of the Robert Seymour home place of 96 1/2 acres west of Franklin by Mrs. John H. Rawlings to William Becker, of Alexander, at \$300 per acre is reported. This is the highest price ever paid for farm land in Franklin precinct, but we expect to see it sell still higher for it's the best land in Illinois—Franklin Times.
Miss Hattie Berry has returned to her home at 211 South Kosciusko street after a visit of two weeks with relatives near Winchester.
Mrs. Eva Wells will leave today for a brief visit with friends at Springfield and Lincoln.
A NEW SIGN
A fine new electric sign adorns the front of the Rialto theater and makes a fine appearance. J. M. Doyle was the officiating artist in placing it and it will well serve the purpose for which it was made.

FIRE ALARM AT SCHOOL FOR DEAF
About 8 o'clock Thursday evening the fire department was called to the State School for the Deaf where fire had started in the basement in a box in room which the boys had been using for the development of pictures. The box contained waste material and a lighted candle fell into it starting the blaze. The department made a fast run and the blaze was extinguished without any damage to the building and a bad fire averted.

ANOTHER FARM SALE
Edward Reynolds of the vicinity of Woodson, has sold his farm of eighty acres to Con Louergan at \$300 an acre and has made reservations which bring the price well up to \$305 an acre. It is good land, part of the Jack Megginson estate.

PEOPLE DIFFER.
Hon. George Wait of Lincoln, is in the city as stated and observed the suggestion regarding parking cars about the square

and looking at a home paper he had received he saw there that the merchants on a part of the business district had petitioned the country to reverse just such a statute as was suggested, and let people park right up against the curbing. No reason is given but the request was granted.

FUNERAL NOTICES.
The funeral of Samuel Wayne Wiley will be held from the residence on East College street this morning at 10 o'clock in charge of the Rev. W. R. Leslie, pastor of Centenary church.
Funeral services for Sarah Gray will be held from the residence, 1329 Center street at 3 o'clock this afternoon.

RETURNS FROM WEST.
Mrs. M. E. Layton is again in Jacksonville after an extended visit at the home of her daughter Mrs. Alvin C. DeMay, at Boise, Idaho. Following a short stay here Mrs. Layton will go to the home of her daughter, Mrs. W. H. McGhee, in Murrayville.

RETURNS FROM HOME.
Judge H. P. Samuelli returned to Jacksonville Thursday morning from Chicago, after attending the funeral of his brother, Dr. Dillard Samuelli, of Wilmington whose sudden death at a Chicago hospital has already been noted. Mrs. Samuelli and C. Y. Rowe were also in Chicago to attend the funeral.

TRANSFER DRIVER HAS LEG FRACTURED
Arthur James a driver for the Jacksonville Transfer company fell from a heavily loaded transfer wagon at the Chicago & Alton freight house Thursday morning and the wheels passed over his left leg fracturing it between the knee and hip.
James had started to drive away from the freight house when the front wheels of the wagon went into a deep rut and he was thrown off the seat under the wheels.
Immediately following the accident James was rushed to Passavant hospital and Dr. Bowe summoned. Examination showed that the bone is badly crushed. An operation will be performed this morning and the injury given the proper attention.

DR. WADSWORTH TO TAKE FOREIGN POST

Jacksonville friends of Dr. Julian Wadsworth, who has for some time been engaged in overseas service for the Y. M. C. A. organization, will be interested in knowing that he is to continue work in France. At no very distant day Dr. Wadsworth is to come to the U. S. and his direct connection with the Y. M. C. A. work will end at that time. Shortly afterward, however, accompanied by Mrs. Wadsworth, he will return to France to supervise the religious work conducted there under the direction of the foreign board of the Methodist church. The post is one of large responsibility for which Dr. Wadsworth has abundantly proved his fitness. Those familiar with his ministerial career know that it has been marked by a particular devotion to duty, a deeply religious spirit and the sincere wish to render service.

FAVORITE LODGE ELECTED OFFICERS.

At the regular meeting of Favorite Lodge No. 376 Knight of Pythias held Thursday evening, Bennie Lee Stice was elected as chancellor commander for the ensuing term. Other officers are: Vice-Chancellor—Charles B. Padgett.
Prelate—L. F. Jordan.
Master of Work—George W. Gerlach.
Master at Arms—John Bradfield.
Inner Guard—Clarence Swaby.
Outer Guard—Mason Rowe.

AT JOSEPHINE SCHOOL.

At the Josephine Milligan school yesterday the birthdays of nine children were celebrated jointly. The refreshments served were of a kind which greatly pleased the children and an hour was happily spent in a social way.
The school is indebted to Dr. Anne Sharpe for the gift of a number of books and pictures.

ADOPTS A FRENCH ORPHAN
Mrs. Edgar Spires of Walnut Mound stock farm in the vicinity of Nortonville was in the city yesterday and informed a Journal reporter that the Nortonville Community club of which she is secretary, has adopted a French orphan named Margaret Fault. The worthy deed can bring only pleasure to the people who have honored their Master in this way.

No meat can be produced so economically as poultry. Don't waste time and money experimenting with feeds. Use Blatchford's Milk Mash, the one sure food. It is absolutely chick insurance—the way of no regrets—annually saving the lives of more baby chicks than all other feeds combined. Puts 32 per cent increased weight on broilers and roasters in twelve days' feeding. The original and best. For sale only by CAIN MILLS.

REGULAR MEETING TONIGHT

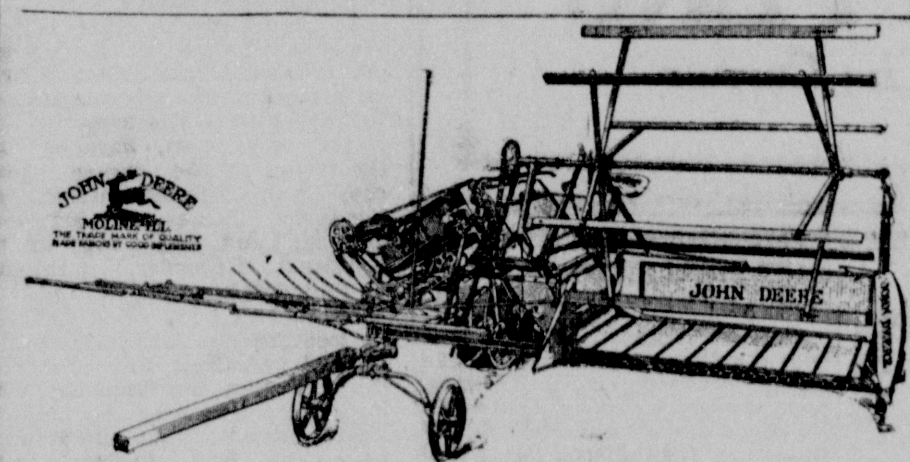

The regular meeting of the Brotherhood of Central Christian church will be held this evening at 6:30 o'clock.

HOPPERS On The Corner

ERROR CORRECTED

Thru error it was indicated Wednesday in the report of the circuit court proceedings that the decree of divorce had been entered in favor of Mrs. Lula M. Gaither against her husband, Chester I. Gaither, on statutory grounds. No recent order has been made in this case and as a matter of record no statutory charge is made against Mr. Gaither.

The last order in this case was made May 23, when by agreement the defendant was ordered to pay alimony of \$10 per month until further order of the court. The item as printed referred to another divorce case and an error in copying caused the wrong publication.

Mrs. Thos. Burns of Woodson made the city a visit yesterday.

BACK FROM SERVICE IN THE ARMY

Fred S. Wolpert, who has been with the 88th division overseas recently returned with discharge from the service and is now at the home of Prof. and Mrs. D. W. George in City Place. Mrs. Wolpert has been here with her parents, Mr. and Mrs. George, during the absence of her husband overseas.

Private Wolpert was in government service in Missoula, Mont., when he enlisted. After but a few weeks of training at an army cantonment he was sent overseas and served in the 88th division with men mainly from Illinois, Iowa, South Dakota and Missouri.

CORNER STONE BOX RECALLS PIONEER DAYS

Box Placed in Corner Stone of Trinity Church in 1834 Taken from Debris Yesterday—Contains Much of Interest.

Yesterday workmen in the employ of Joseph DeGoveia, who has the contract for the erection of the new Trinity church building located the corner stone of the old building and brought forth the box which had been placed there in 1834.

There were four additions to the Trinity church building as citizens of this generation knew it. The first structure was a square building. Later an addition was built at the rear and then an addition made to the front of the building. The west tower also was a separate piece of work and was the last addition made to the old building.

The recovery of the box brings to light much in the early history of Jacksonville that will prove of great interest to all citizens and especially to those composing the membership of Trinity church.

Box of Heavy Tin

The box which is of heavy tin covered with sheet lead was made by Meeker and Rabe in 1834 according to a small slip of paper found in an edition of Sword's Pocket Almanac, Churchman's Calendar and Ecclesiastical Register for the year of Our Lord 1832, and from the Creation of the World, 5386. This little book was published by T. and J. Swords at 127 Broadway, New York City, and contains much of interest in addition to information pertaining to the Protestant Episcopal church.

In addition to the articles above enumerated is a common prayer book of the church, a brief statement of the organization of Trinity church, the name of the rector, vestrymen, wardens, and the laying of the corner stone, copy of the Illinois Patriot, published by James G. Edwards, May 31, 1834, and a copy of the Episcopal Recorder, published in Philadelphia, May 3, 1834.

There has been some difficulty in locating the corner stone of the old building and yesterday the workmen not knowing what they had found used a pick in prying out the stone and it penetrated the box. Luckily, aside from a small hole torn in the copy of the Patriot, and a tear in the binding of the prayer book, no damage was done to the contents. It was taken by Mr. DeGoveia to his office and Dr. Langton notified. He kindly permitted the Journal to have the contents of the box for the building of this story.

Story of Corner Stone Laying

The story of the laying of the corner stone is written on heavy toolscap paper, but the ruled lines have faded so that it appears almost as white paper. The ink used in those days was good and shows no sign of fading. The statement reads as follows:

"The corner stone of this church by the name of Trinity church, Jacksonville, Illinois, was laid with suitable religious services on Monday, the Ninth day of June in the Year of Our Lord, One Thousand Eight Hundred and Thirty Four, by the Right Rev. Benjamin Bosworth Smith Bishop of the Protestant Episcopal church in the Diocese of Kentucky, officiating by request of the trustees and vestry of said Trinity church, assisted by the Rev. John Batchelder, rector of said church.

"At the time of laying the corner stone of this church, Andrew Jackson was president of the United States and John Reynolds was governor of the State of Illinois. The diocese of Illinois was not yet organized, and there were but two organized parishes in the state belonging to the Protestant Episcopal church, viz: Trinity church Jacksonville, John Batchelder Presbyter, Rector and the Church, Rushville not yet supplied with a Rector.

"Jeremiah Barker and Bazaleel Gillett were wardens of Trinity church, and Joseph Coddington, Ebenezer T. Miller, Samuel M. Prosser Dennis Rockwell, Ignatius R. Simma, Richard W. Dunmer, Hylett H. Buckner and Austin Brocknough were the vestry.

"The Parish of Trinity Church, Jacksonville was organized on the Eleventh Day of August, One Thousand Eight Hundred and Thirty Two, and was then destitute of a minister. The present Rector took charge of it in June One Thousand Eight Hundred and Thirty Three.

"May the great Head of the Church prosper the erection of this house now commenced in His name, and fill it with His presence and glory through all generations. Amen."

Plenty of Politics.
That there was plenty of politics in that early day is evidenced by a glance at the columns of the Illinois Patriot. There is a story of the village election in which the Whigs triumphed over the Tories by a majority of 74 votes.

The state ticket of the Whig party is published, the election being called for August of that year. Hon Joseph Duncan was the candidate for governor that year.

To make things familiar to us of this day there was a Frelinghuysen and a Poindexter in the United States senate as there is at the present time.

Prices of Foodstuffs.

Flour is quoted at \$3.50 a barrel—sound dry corn at 75 cents per barrel. Stock hogs over 50 pounds are quoted at one and three quarter cents per pound, and shoats under 50 pounds at one and one half cents per pound.

George Woodman of Carrollton offers six and one quarter cents reward for the return of a runaway apprentice named Daniel Boroff, Josiah Seymour was engaged in the manufacture and sale of hats, both wholesale and retail.

END OF YEAR EVENTS AT ROUTT COLLEGE

Academy Class Day Exercises Held—Commencement Tonight.

Commencement exercises began at Routt College Wednesday evening with the class day exercises of the academy class. A very interesting program was carried out. Tonight at 8 o'clock the Routt college high school commencement exercises will be held. Two members of the class will speak and a program of varied interest will be offered. Monday night the college commencement exercises will be given at 8 o'clock. Th address will be made by J. B. Reno of St. Louis, a publicist of some renown.

At the class day exercises a large audience enjoyed the excellent program presented. As usual with class day exercises reference was made both to the actual happenings of school days and there were some interesting prophecies as to the days to come. There were decorations of spring flowers and altogether the exercises were of a kind to genuinely interest the company present. This was the program:

- Welcome address—Bernadette Cosgriff.
- Piano Solo, Polish Dance—Helen Graef.
- Class Paper—Lucille Gruber and Fred Bergschneider.
- Criticism—Norine Casey.
- Impromptu—Lucille Sheehan.
- Class History—Harriet Kennedy.
- Progress of Civilization—Clarence Maloney.
- At Graduation—Helen Graef.
- Class Prophecy—Mary Lyons.
- Vocal Solo, Love Here's My Heart—Lucille Gruber.
- Presentation Oration—Lucille Sheehan.
- Class Will—Helen Mandeville.
- Class Song—Seniors.

Before the class day program members of the class spent a number of hours at Nichol's park. There a basket dinner was enjoyed and a varied program of amusement carried out.

NATURALIZATION PAPERS ARE ISSUED

Scott Wilson, a representative of the government, was here yesterday to be present when six men were issued final papers of naturalization and thus became citizens of the U. S. The records in the office of Circuit Clerk Boston were taken to the circuit court and the six men appeared before Judge Jones and answered the various questions propounded in a satisfactory way. The group includes a number of valued citizens of Jacksonville: Samuel Freeman, Newham Oddy, Harry Leadhill, M. Fortado, John Carl and Alfred Crozier.

The government these days gives far more careful attention to the matter of naturalization than was at one time true and no man now is given the final papers without understanding what citizenship means and having shown qualities that indicate worth. Mr. Wilson left in the afternoon for Carlville to be present when a number of men receive naturalization papers in the circuit court there today.

ROBBINS RUSSEL HAS IMPORTANT WORK

Robbins Russel, who is soon to be released from the army service, will not return to the position he formerly held at the Chase National bank in New York City. Instead, Mr. Russel will enter upon his duties as assistant manager of the New York branch of the American Social Hygiene association. This is a position of responsibility which was offered to Mr. Russel without any solicitation on his part because of the record he made in the special scientific work in which he was employed.

The work is made possible thru the support of Mr. Rockefeller and some other men of wealth interested in public welfare problems. Following their custom the Chase National bank had kept the position open for Mr. Russel thru the war period. He recently sent his resignation as the position with the hygiene association is one which will bring increasing responsibility and offers opportunity for further work and study along lines in which he is interested.

JOSEPH RYAN HOME

Joseph Ryan who has been in overseas service for the past year with the 108th ammunition train of the 33rd division arrived in the city yesterday and is at the home of his parents, Mr. and Mrs. John Ryan, 703 South West street. Ryan enlisted with Company B and went to Louisiana, Mo., and later to Camp Logan, Houston, Texas. He looks fine and says he enjoyed his army experience but is glad to be at home again. William Smith of South Jacksonville also returned home with Ryan. He has also been with the 108th ammunition train and was with Ryan during their entire stay overseas.

Mrs. J. H. McCune and son James, who has been guests of Miss Eleanor Moore for several days, will return to their home in Iowa today. Mr. and Mrs. Jack Henry of Ft. Smith, Ark. are also guests at the Moore home.

AT DAVID PRINCE SCHOOL

Attention is again called to the graduating exercises at the David Prince school this afternoon at 2:30 o'clock. There will be a class of approximately 100 members to receive diplomas from Suot. Perrin. The general program as arranged under the supervision of Miss Laura White, principal, will be of more than usual interest.

FANTASTIC FICTION
IN GERMAN PAPERS

Fictitious Tales Published by
German Newspapers Regarded
as Propaganda—American
Intelligence Officers Seek Source
or Stories.

COBLENZ. —[Correspondence
of The Associated Press.]—Some
fantastic fiction is published in
German newspapers by writers
from Frankfurt and Leipzig who
have visited Coblenz and return-

ed home to write whatever they
may please about the American
army. Many of the stories they
tell are new to the officers of the
Third Army who count them as
German propaganda.

One writer of a long article in
the Leipzig paper dealing with
life in Coblenz relates alleged in-
stances of ridiculous sentences
imposed upon Germans by the
American army courts. In one
case he says that the wife of a
government official, "annoyed on
the street by a drunken soldier
exclaimed in her anger "If only
all the Americans would go to the
devil!" The military court, he
says, punished her for "this
religious wish" by sentencing her
to appear every morning for
thirty days at the headquarters
of the commanding officer and re-
peating to those present the
phrase: "I am glad that you are
still here, gentlemen, and it is
my wish that you continue to
stay here for a long while."

This is all news to the Ameri-
can officers. If any woman ap-
pears at headquarters every
morning, the sentries on duty
there have failed to notice it. It
is part of their job to prevent
trespassing by Germans at the
main entrance of the Third army
headquarters.

Another fictitious tale narrated
by the Leipzig writer to arouse
dislike for Americans, deals with
a case in which a woman, splash-
ed by mud from an automobile
ejaculated, "those dirty Ameri-
can automobiles." For this the
Leipzig Munchausen avers, a
military court sentenced her to
climb the fortress of Ehrenbriet-
stein at 5 a. m., for thirty days
carrying a pail, scrubbing brush
and scouring rag and to clean six
American automobiles. Upon
completion of this task, he as-
serted, she was required to walk
back home similarly equipped.

Another fantastic tale told by
the Leipzig journalist is of a sen-
tence which he declares was im-
posed upon a hotel owner whose
nerves could no longer stand the
"wild music" produced by the
American bands and who com-
plained upon it unfavorably. In
punishment the fiction writer
declared, the hotel man was sen-
tenced to march daily for thirty
days alongside the band and after
its parade to tell its leader,

"Sire, Your music pleases me to
perfection."

American intelligence officers
are endeavoring to ascertain if
what channels the Leipzig corre-
spondent obtained the alleged "in-
formation" while in Coblenz,
particularly stories about the
fines and sentences imposed upon
women. Court records do not re-
veal any such cases.

The Wonderful Call
When Baby Comes

Like the Blast of Heavenly Trumpets
When Call of Motherhood Is Felt.

Of all the most vital times in a woman's
life the coming of baby is fraught with the
greatest meaning. Care should be exercised
to insure that the crisis is passed in safety.
Apprehension is avoided by the timely
use of Mother's Friend, a preparation of
penetrating oils and medicinal ingredients
which renders the muscles, cords, tendon
and ligaments pliable, and thus tension is
avoided. The usual nervousness, nausea
bearing-down and stretching pains are coun-
tered and the period is one of calm re-
pose.

The broad, flat abdominal muscles relax
with ease, and when baby comes the time
of the crisis is less and pain and danger is
avoided.

Thousands of women for half a century
have used this penetrating external applica-
tion, prepared especially for expectant moth-
ers, and every woman awaiting the crisis
should give nature a helping hand. Write
the Bradford Regulator Company, Dept. F,
Lamar Building, Atlanta, Georgia, for their
Motherhood Book, of great value to all
women, and obtain a bottle of Mother's
Friend from the druggist and use it in its
application regularly night and morning.

OBITUARY.

Margaret Elizabeth Freesen, second
daughter of Wm. T. and Mary Freesen was
born near Oxi-
ville, Ill., March 14th 1882 and
departed this life at her home
three and one-half miles west of
Riggston May 29th, 1919 at 9.40
p. m.

On Sept. 2nd 1908 she was
married to Bert Baird. To this
union were born two children, a
daughter, Mildene Edythe, born
Oct. 26th, 1913, and a son Harold
Nelson, born May 22nd 1919 only
seven days old when his mother
died.

She was baptized in infancy
and at the age of 14 was con-
firmed in the German Lutheran
church of Oxi-
ville. In the winter
of 1908 she with her husband un-
ited with the M. E. church of
Riggston.

Death was due to acute defuse
peritonitis, her sufferings were
intense and borne so uncomplainingly.
Always thanking those
who administered unto her and
often expressed her faith in God,
remarking she was not afraid to
die, for she knew where she was
going. All that loving hands of
the family, doctors, and nurses
could do was done yet she could
but suffer.

The loss to the family cannot
be expressed in words. She was
a beautiful character, naturally
of a reserved disposition yet she
easily won and retained friends
and to know her was to love her.
She was a loyal member of the
church, an unselfish friend, a
patient sufferer—a devoted wife
and mother, a dutiful and loving
daughter, and a humble follower
of Jesus Christ.

The funeral services were held
from the M. E. church of Rigg-
ston on Sunday afternoon at three
o'clock in the presence of a large
gathering of relatives and
friends.

Rev. C. W. Caseley preached an
impressive sermon from the
words, "What I do Now, Thou
knowest not, but shall
know hereafter." (John 13:7)

'Gets-It'—2 Drops—
Then to the Dance!

'Goodnight to Corn Pains—Corns
Peel Off With 'Gets-It'.

"Say, girls, you can laugh at
tight shoes, or damp, corn-sucking
weather, big bumpy corns, calluses
on the soles of your feet, corns be-
tween the toes, hard and soft corns,

'It's All Off With This Fierce Corn Now—
'Gets-It' Is Magic.

If you will just touch the corn or
callus with a few drops of 'Gets-It',
What a blessed relief it gives to
corn pains! You won't limp any
more, you can enjoy the dance
every minute. Then to see how
that corn or callus will come right
off complete, like a banana peel and
without the least pain, is just won-
derful. 'Gets-It' is the biggest seller
among corn removers in the world
today simply because it is so won-
derfully simple and always works.
Be sure you get 'Gets-It'.
'Gets-It' the guaranteed, money-
back corn-remover, the only sure way,
costs but a trifle at any drug store.

also). For now we see through a
glass darkly, but then face to
face. (1st Cor. 13:12.)

A favorite song of the deceased
"Loved by Grace" and other
music was furnished by double
quartet of Riggston church.

The flowers of which there was
a vast profusion were cared for
by Misses Vivian Christison,
Bessie Six, Mabel Vortman, and
Alma McCullough.

Interment was made in Gill-
ham cemetery, the bearers were
Henry Rolfe, Jr., Henry Kilter,
Wm. Dubble, John Green, James
Parks and Calvin Simmons.

She leaves besides her hus-
band and two children a father,
Wm. F. Freesen, a mother Mary
Buhlig Freesen, a sister Nora at
home, a sister Mrs. Tillie Rig-
g of Bloomfield, two brothers Her-
man and Henry Freesen of Ox-
ville, and one brother Oscar, still
in France.

OAKLAND

The Oakland "Sensible Six" carries a six-cylinder engine, it having been found that such an engine gives greater satisfaction and better results than any other type. There is ample power for all purposes, rapid acceleration, flexibility on high gear, smoothness and lack of vibration, simplicity, accessibility to vital parts, freedom from trouble, economical operation and low first cost. The Oakland is the only "Six" car today selling under \$1200—it is a leader. The Oakland is foremost in light-weight construction, yet retains beauty and sturdiness. The features found in the Oakland are those which usually are looked for only in the higher priced cars. The bodies of the various models are unusually roomy, wide, deep seats and large doors. Upholstery and finish is all that can be desired.

HAD SUFFERED FOR 30 YEARS HE SAID

Denver Man Declares Tanlac Has Helped Him More Than Any Other Medicine.

"Ever since I took that course of Tanlac I have felt better and stronger than I have in many years and it has done more for me than anything else I have ever taken," said J. W. Patterson, of 1359 Thirteenth street, Denver, Colo.

"For thirty years," he continued, "I suffered from catarrh of the nose and throat, and although I was operated on by a New York specialist at great expense I got only temporary relief. I just couldn't rest at all well at night and would get up in the mornings almost choking with mucus which nauseated me so I would often have to vomit. My stomach became affected so that everything I would eat soured and bloated me up with gas as tight as a drum. I was bilious, too, had terrible headaches and suffered something awful."

"I tried everything I could hear of but nothing helped me till I began taking Tanlac. It has relieved me of gas and every sign of indigestion and my stomach is in better condition than it has been in years. Tanlac has helped my catarrh wonderfully. It has calmed my nerves so I can get refreshing sleep at night and I am not troubled with that mucus or nausea any more."

Tanlac is sold in Jacksonville Cover & Shreve, in Meredosia by Mr. R. B. Field, in Murrayville by M. E. Gilbert, in Waverly by the Wyle Drug Co.—(Adv.)
